# REPORT

## for the year ending 31st December, 1927.

---

In presenting our report (the Statistical and Financial part of which relates to the year ending December 31st, 1927) we desire at the outset to thank all those who, by their financial support and in other ways, have helped the Committee to carry on the work of the Hospital in an efficient and satisfactory manner.

Sufficient income has been collected to meet the needs of the Hospital—this in itself, is evidence of the confidence felt by the public in the work that is being done for the community.

From the Statistical tables it will be seen that the number of patients admitted into the general wards was 342 and into the private wards 39, a total of 381 as compared with 350 in 1926. The number of Accident cases admitted was 43. No less than 270 operations were performed in the Hospital.

The patients themselves are asked to give as much as they can afford towards the cost of their treatment, and it will be seen from the accounts that last year the amount received from them and from their Societies on their behalf was £884 18s. 6d. which includes the Charges, amounting to £460 9s. 11d, received from the patients in the private wards.

It is with very much pleasure that we are able to record our warm appreciation of the gift of £1,000 from the Trustees of the late Mr. Leopold Salomons, of Norbury Park, to start a Pension Fund for the Staff. The money has been invested in 4% Consolidated Stock, and the interest will be available as and when necessary for granting retiring allowances in accordance with the rules of the Hospital. The Committee have decided to transfer £100 from the Income Account, so that the Fund will now have to its credit £1,110 10s. The Committee are in no small measure indebted to Mrs. Salomons for her kind influence in obtaining this handsome donation. It is only a further indication of the great interest that Mrs. Salomons has taken in the Hospital and the welfare of its staff.

A great event during the year under review was the Cricket Match and Fête organised by the local Police Force for the benefit of the Hospital. This excited considerable interest from the fact that the Lord Mayor of London, Sir Rowland Blades, M.P., captained an eleven against the Surrey Police. The Lady Mayoress and her daughters were present. The day was fine and the attendance was large. The local Police were very active, and through their efforts the sum handed over to the Hospital was no less than £305 4s. 1d. The general arrangements, which were excellent, were under the direction of a Committee, with Mr. Lack as Chairman, and we desire to tender to him and all who assisted, our grateful thanks.

Never before has Pound Day yielded such a satisfactory result. No less than 2324 lbs of various necessities, as well as £49 11s. 7d. in cash were received from 115 donors.

Through the kindness of some Subscribers a few letters for

Convalescent Homes have been received, and these have been the means of accelerating the recovery of patients. The Committee would be pleased to receive similar letters, also gifts of Old Linen, Illustrated Papers and Magazines, Toys, suitable Books and Clothes.

Collecting Boxes are distributed to a large number of Residents—these afford a means of collecting in very small sums quite a considerable amount—the collection of which is undertaken by Mr. Drake, to whom the Committee are much indebted.

The Committee again wish to thank the various local Societies, Clubs, and Organisations for the assistance they have rendered in raising funds. Mr. Hopkins has again been instrumental in interesting large numbers of the workers in Leatherhead to make regular weekly contributions.

The Committee desire once more to express their thanks for the offertories received from the Churches and Chapels.

The Committee regret to record the death of Sir Dyce Duckworth, who for many years acted as Honorary Consulting Physician, and on many occasions rendered valuable help to the Hospital.

The Committee appreciate the great kindness of the Honorary Consulting Physician and the Honorary Consulting Surgeons for coming down London whenever advice or skill is required for special cases.

The Honorary Acting Medical Staff have had a strenuous year and have given their time and skill ungrudgingly in the interest of the patients and the welfare of the Hospital, for which the Committee are deeply grateful.

The Committee desires also to thank the Commandant and members of the Women's Detachment V.A.D. Surrey 22 for the valuable voluntary help which they give at the Hospital, and they also appreciate the services of members of the Men's Detachment V.A.D. Surrey 17 given when required.

The recent enlargement of the Hospital has indicated the necessity for some further accommodation for the Matron and Staff. It is intended during the ensuing months to carry out this work, which will cost approximately £800, and will render the working of the Hospital more convenient.

Certain repairs and painting will have to be executed in the ensuing months, and it is anticipated that the expenditure for the present year will not be less than £2,500. The Committee appeal to the new Residents for their interest, and also express the hope that all those who can will support the Hospital in the future.

In conclusion, the Committee desire to thank the Matron and her Staff, both Nursing and Domestic, for their care of the patients and for the zeal and interest they take in the management of the Hospital.

 eggs, 3 sacks potatoes.

**RULES.**

1. That this Institution shall be called the "LEATHERHEAD COTTAGE HOSPITAL."

2. The funds for the support of the Hospital shall be raised by voluntary contributions, interest on investments, and by payment of the patients or their friends, and all subscriptions shall be due on the 1st July in each year.

3. The Committee may direct the investment of the funds of the Hospital, not required for current purposes, in the names of the Trustees, in such securities as Trustees are by law permitted to invest Trust monies.

4. There shall be Trustees (not less than two or more than three) in whom shall be vested all the property of the Hospital, upon trust, for the sole benefit of the Hospital, to be dealt with in such manner as the Committee for the time being may from time to time direct.

5. Annual Subscribers shall be entitled to recommend one patient for each guinea subscribed; donors of 20 guineas and upwards, in one sum, one patient annually for each donation of 20 guineas. In the case of collections made in churches or chapels one letter shall be granted for every guinea remitted, such letter to be valid for one year.

6. No Officer or Member of the Committee of the Hospital shall at any time be personally liable for any obligations contracted in the name of the Institution. The funds of the Institution only shall be liable for such obligations.

7. The management of the Hospital shall be vested in a President and Committee of not less than eight nor more than ten elected Members, with Medical Officers and Honorary Treasurer.

8. An Annual General Meeting of the Subscribers shall be held in each year when and where the Committee shall determine. At this meeting a report of the past year shall be presented by the Committee; the President, Treasurer, Secretary and Committee shall be selected from the body of Subscribers of one guinea and upwards, and an Auditor appointed; and other business transacted.

9. In the event of any vacancy occurring in the Committee, or among the Officers of the Institution, arising from death, resignation, or otherwise, the Committee shall have power to fill up the vacancy.

10. The Committee may at any time call a special General Meeting of Subscribers, and they shall at any time be bound to do so on the requisition of Subscribers, not less than 10 in number, whose annual subscriptions do not amount to less than ten guineas in the aggregate; the notice calling such meeting shall state the business proposed to be transacted thereat, and no other business shall be transacted at such meeting. No less than seven days' notice shall be given of every Annual, General, or Special Meeting in such a manner as the Committee may determine.

11. All questions brought before a meeting of Subscribers shall be decided by a show of hands, the Chairman of the meeting having a second or casting vote. Subscribers of one guinea and upwards, and donors of twenty guineas and upwards in one sum, shall alone be entitled to vote. The Clergy of all denominations and also any duly elected representative of any Society or Organisation who shall transmit to the Treasurer any sum of money not less than two guineas, shall be entitled to vote at the next Annual Meeting.

12. The Committee shall meet at such time as they may appoint, and three Members shall form a quorum.

13. The Committee shall have power to draw up from time to time regulations for the conduct of the Hospital, which shall be hung up in a conspicuous position in the Hospital.

14. A Matron shall be appointed by the Committee and act under their instructions.

15. There shall be a Ladies' Visiting Committee, not exceeding ten in number, who shall be appointed at the Annual General Meeting; any vacancy occurring during the year in this Committee from death or resignation, or otherwise, may be filled up by the General Committee of the Hospital. The Ladies of such Committee shall from time to time visit and inspect the Hospital, subject to the directions of the Committee.

16. The Committee may grant gratuities or retiring allowances to members of the Staff who have been in the service of the Hospital for a period of not less than ten years, and may make such provision as they think fit for the payment of such allowances out of the funds of the Hospital.

17. The administration of the monies set aside from time to time for the purpose of granting retiring allowances shall rest entirely in the hands of the Committee for the time being—the question of payment of any grant or retiring allowance and the manner, amount and duration of such payment shall be at the absolute pleasure and discretion of the Committee.

18. No subscription or contribution will be required or accepted from any member of the Hospital's employees, who are to understand that under no circumstances have they any right or claim in respect of any funds set aside for the purpose of granting retiring allowances.

19. The Trustees shall from time to time, at their discretion, invest the Fund in any securities authorised by law for the investment of trust funds, and any such investments may be realised as occasion arises. The Trustees shall, in the month of March in each year, render to the Committee an account of such securities and of the monies entrusted to their charge, which shall be embodied in the Annual Report to the Hospital.

### MEDICAL STAFF.

20. The Medical Staff shall consist of S. Ormond, Esq., M.D.; C. W. von Bergen, Esq., M.B., B.S., (Durh.) M.R.C.S., L.R.C.P.; E. H. Grainger, Esq., M.C., M.B., D.P.H. (Cantab), M.R.C.S., L.R.C.P.; W. E. Etherington Wilson, Esq., F.R.C.S., Eng., M.R.C.S., L.R.C.P., Eng.; and vacancies in the future shall be filled up by the Committee from gentlemen who are duly registered and qualified according to the requirements of the Local Government Board. They shall have entire control over the Medical arrangement of the Hospital.

Any duly qualified medical practitioner who has been resident and practising in the district (that is the area within a radius of 3 miles from the Hospital) for 2 years, and has obtained the sanction of the Committee, shall be allowed to attend his own cases in Hospital, but must first advise a member of the Honorary Medical Staff and also the Matron, with a view of ascertaining that the patient can be accommodated. This Rule will not apply in the case of a medical man or woman who succeeds to, or becomes partner in, or acts as a deputy to, one of the Honorary Medical Staff, or to a medical man or woman who has already obtained the permission of the Committee to attend their patients.

Duly qualified medical men or women may only be given leave by the Committee to attend their patients in the Hospital after they have been resident and practising in the district for a period of two years, unless the circumstances in the opinion of the Committee are exceptional.

21. Each of the Medical Staff shall act as Medical Officer for a week in rotation, and during such time shall take General Medical control, and, in the absence of the other Medical Officers, shall, at their request, or in cases of emergency without it, attend to their patients.

## TREASURER.

22. The Honorary Treasurer shall give receipts for whatever monies, securities, documents, or writings he may receive on account of the Hospital. He shall keep the cash accounts of the Hospital with such Bankers as the Committee may direct, and shall not pay any monies from such account except by cheque.

23. The Secretary shall attend all meetings of the Committee, keep the minutes of the same, conduct the correspondence, issue letters of recommendation, and act generally under the Committee's direction.

## PATIENTS.

24. With the exception of cases of serious accident or sudden emergency (which may be admitted to the Hospital on application), no one shall be admitted without a letter of recommendation duly filled up in all particulars and without a certificate of a duly qualified Medical man, resident in the neighbourhood.

25. Each patient shall pay such weekly contribution as the Committee may fix, not being less than two shillings and sixpence nor more than fifteen shillings; domestic servants shall pay ten shillings to twenty shillings per week, but the Committee shall have power to remit the whole or part of any such payments at their discretion. The Committee shall have power to deal with exceptional cases in such a manner as they may think fit.

26. Except in cases of emergency, every patient admitted must be provided with decent clothing and proper changes of linen.

27. No person shall be eligible for admission who is afflicted with any disease which is considered to be infectious or contagious, with epilepsy or insanity, or with any disorder not likely to be soon cured or mitigated by treatment. Women advanced in pregnancy are inadmissible.

28. All cases in the Hospital shall be specially reported by the Medical Officer attending the patient at the next meeting of the Committee. All patients shall be discharged at the end of one month after admission, unless the Medical Officer attending the patient certifies to the Secretary, in writing, that there is a probability of cure or considerable relief. No patient shall remain in the Hospital for more than two months without special leave of the Committee.

29. Friends of patients may be admitted on such days and at such times as the Committee shall appoint.

30. Subject to the Regulations of the Hospital, patients may be visited by any Clergyman or Minister of Religion they may desire to see.

31. No rule shall be altered or any new rule made except at a General or Special Meeting of Subscribers; and no motion for a new rule, or alteration of an existing one, shall be brought forward at such meeting unless notice thereof, in writing, shall have been delivered to the Committee or Secretary, at least fourteen days previous to the holding of the meeting.

The charges for patients occupying the private wards may be had on application to Matron.

# FORM OF BEQUEST TO THE HOSPITAL.

*I give to the Leatherhead Cottage Hospital, at Leatherhead, in the County of Surrey, the sum*

of £  
of £  
, and I declare the receipt of the Treasurer of the aforesaid Hospital

shall be a sufficient discharge for the said Legacy; and I also declare that the said Legacy shall be paid free

from Legacy Duty, and that the same, and the Legacy Duty thereon, shall be paid exclusively out of such part of

*my personal Estate as may be legally bequeathed for charitable purposes.*

# Leatherhead Cottage Hospital, Leatherhead.

THE HONORARY TREASURER IS MR. W. H. CULLEN, MICKLEHAM DOWNS, NR. DORKING.

N.B.—It is suggested that Subscribers should preferably adopt this Bank Order for their Annual Subscriptions, as it avoids all future trouble in paying the amounts, saves the expense of collecting, secures safe transmission, and is absolutely useless except to the Hospital. Bankers will, according to custom, pay the amount direct to the Hospital Bankers.
